

MEDICARE

CLARIFICATION STATUS

ThriveAgain Physical Therapy & Wellness is not a Medicare Provider. We do not have a medical provider number with Medicare.

As a result, if you have Medicare, ThriveAgain Physical Therapy & Wellness:

- Will only accept cash, check, or credit card payments
- Will not issue any receipts that contain any diagnostic medical coding such as CPT or ICD-10 codes (these code numbers help insurance companies and Medicare keep track of what medical treatment is being performed or administered and for what purpose).
- Will not bill any payer for services either on behalf of ThriveAgain Physical Therapy & Wellness or on behalf of you.

Again, since we are not a participating medical provider in the Medicare program, as a patient with Medicare coverage you should not submit a claim for reimbursement of medical services to Medicare or any other commercial payer.

We appreciate having the opportunity to work with you. If you have any further questions or concerns, please feel free to contact us at 202.803.2068.

Sincerely,
Jessica Probst, PT, DPT
